Subject: GTN update & availability for April - July

Michael, Joe and Zach – the administrative law judge granted GTN's request to postpone the hearing. GTN's attorney requested the delay because he is sick and also due to DEQ's anticipated Amended Order. I did not oppose the request but made clear that we'd like the hearing to be rescheduled for this spring, if at all possible. And I have indicated to GTN and the judge that we expect to issue the Amended Order by Monday. Thanks for all of your efforts on that, I think we are close!

In any case, I am going to cancel the holds I had on your calendars for the late February hearing and hearing prep.

We have a pre-hearing conference on Feb 15th to set the new hearing date. Should be a 2 day hearing as before. Could you please send me any days/weeks where you could not attend a hearing in April-July? I will try to get the hearing scheduled for April or May, but would like to have your availability for June and July also, just in case.
